activities

Children's Stage Adventures 2016

In January 2016 the After School Program is going to host Children's Stage Adventures with the production of "The Princess and the Pea". The audition will be open to all students of WDES/WDHS.

An informational letter will be sent to all students on December 1st. The

auditions will take place on Monday, January 4th, 2015 at 12.00 pm at the elementary school. The cast will be announced before 2:15 pm and the first rehearsal will start at 2:45pm. The rehearsal schedule will be sent home on Monday with each student that is participating in the production.

The dress rehearsal and two performances will be held on Friday, January 8th, 2016.

ASP Daily Schedule

Grades 1 - 4

2:40 - 3:15 Snacks and Good Start Meeting

3:15 - 3:55 Activity I

3:55 - 4:35 Activity II

Grades 5 - 8

2:45 - 3:00 Good Start Meetings

3:00 - 3:40 Activity I

3:40 - 3:50 Snacks

3:50 - 4:35 Activity II

Fall 2015 Projects

Grades 1 - 4

It takes a village... the fourth graders are practicing teamwork skills while building a Wintertown. Miss Lora and Ms. Pam are helping to understand when, how and why we can accomplish more with teamwork :)

Let's Dance - group 1 and 3 are learning some ethnic dance movements while exploring other cultures with Miss Sage and Mr. Johnny:)

Musical Math - Miss Sam and Miss Elisha are working with group 1 and 3 on the patterns we can see in both - music and math:)

Let's France - Group 2 is learning French with Miss Ashleigh

Grade 5 - 8

We have two *4-H clubs*, one is working on Junk Drawer Robotics, a super fun engineering project, and the second is exploring weather and climate.

Let's Celebrate - students are working in small groups researching winter holidays. They have chosen different forms of presenting their findings: slideshow, video, clay sculpture, shoebox diorama etc. They are going to teach younger students how and why people celebrate winter holidays in different parts of the world. Thank you Miss Morgan for helping us!

Destination Imagination Team - the DI team is working hard to get ready for the showcase in March and the state competition in April!

You are invited! Come to see the final presentation of your child's group project.

Schedules will be sent home on Thursday, December 3rd!

Coming soon:

December 7 - 10

Winter Exhibition

December 18

last day of program

January 4 - 8
