

David J. Lyon Washburn District Elementary School
MSAD #45
21st Century Community Learning Center

School Year 2016/2017

Dear Parents/ Guardians of WDES Student,

We would like to invite your child/children to participate in the Washburn 21st Century After School Program 2016 - 2017.

The ASP Staff is already working to schedule as many activities for our students as we can. Our instructors are already planning projects and field trips.

The Washburn 21st Century After School Program is open for WDES students entering grades 1 to 8 and is free of charge. We will run the program four days a week, **Monday through Thursday, from 2:30 to 4:45pm starting on Monday, August 29th, 2016.**

This year we are going to focus on project based learning while students learn by playing, participating and cooperating with each other. On the Middle School level we are going to offer activities like Walking Classroom, Destination Imagination Team, Cooking Class, Drama, Games as well as 4-H Club, Robotics etc.

As always we greatly appreciate any help from our families: your time, materials, supplies, and money will help to provide a better program for our students. Please contact Halina Herzog if you would like to help in any way.

Along with this invitation you will find a registration form for each child. It has to be returned to school no later than Tuesday, August 23rd, 2016.

If you have any questions, please check school website or contact:
