Dear Parents,

I am writing to inform you that **MSAD 45 will be remain closed for classroom instruction until April 27th**, with decisions on potential longer closures to be made at that time

This closure is not the result of any suspected or confirmed cases of COVID-19 in our immediate community. We are taking this proactive approach out of an abundance of caution and in an effort to "flatten the curve" of COVID-19 cases in Maine.

During this closure, we ask that you assist by minimizing group meetings of students and adults. Practicing social distancing and good personal hygiene are the two greatest steps we can take to protect our community from the spread of COVID-19.

Staff will continue to provide remote instruction and food service during the school closure. Thank you for your continued support of our students and our schools. Feel free to contact me or any of our staff if you have questions or concerns.

Sincerely,

Larry Worcester
