Lawrence Worcester
Superintendent

October 27, 2020

Dear Parents, Staff and Students,

MSAD 45 students will be switching to **Remote Learning** on the following dates: **November 19,20,23,24.**
The two main reasons for doing this are:

1. This will give our students and teachers a chance to practice with Remote Learning in the event that we need to go to our "Red" model with remote instruction due to a COVID outbreak.
2. We will be able to deep clean our school buildings and also make necessary renovations and modifications to make the building as safe as possible from COVID-19.

We know that the virus is in Aroostook County and that we need to prepare in the event there is an outbreak or a confirmed case in our school district. Our school district wants to practice remote learning and make sure that our school buildings are as safe as possible for our staff and students.

Also, reminder that Parent/Teacher Conferences will be virtual this year in the evening on November 23rd and in the afternoon on November 24th. More information will be coming soon on how to sign up for a virtual conference for your child.

A free breakfast and lunch will be provided for students on the remote learning days of November 19,20,23,24. Please notify the school if your child will not need breakfast and lunch on those dates.

Thank you for your cooperation and understanding as we work through this school year with the safety measures that have been put in place due to COVID-19.

Sincerely,

Lawrence Worcester
Superintendent of Schools
